Terra Construction

CLOSEST TO THE PIN:
Jared Houle,
Doran Companies

MCA is thrilled to announce the resounding success of our 15th Annual Scholarship Golf Tournament, held on June 7, 2023! The event not only brought together industry professionals across Minnesota for a day of friendly competition and networking but also raised funds for scholarships that support students pursuing a construction degree or a related craft or trade.

The tournament, hosted at the prestigious Deer Run Golf Club in Victoria, MN, sold out in less than 30 minutes. It was an impressive turnout of participants from various sectors of the construction industry, including project managers, general contractors, subcontractors, owners, engineers, architects, attorneys, suppliers, developers, and more.

This event would not have been possible without the support and dedication of our generous sponsors, members, and volunteers. We extend our deepest gratitude to all those who contributed to making this event a success, enabling the MCA to make a positive impact on the lives of aspiring construction professionals.

We hope to see you next year!

THANK YOU TO OUR
2023 SPONSORS!

PRESIDENT'S COLUMN

Corey Bronczyk
Arthur Chapman Law Firm

Hello all! I hope you are all enjoying the summer so far! I for one have been busy running between kids' baseball games, camps, and trying to get in a little bit of fishing. It was a very interesting and busy spring, and I'm thankful that our industry remains strong. I hope you all had a great 4th of July weekend, and I'm looking forward to seeing you at our upcoming **Summer Boat Cruise on the St. Croix River!** This event is a great way to connect with other members, network, and develop relationships.

Also, our **6th Annual Clay Shoot** is set for Wednesday, October 11. This is my personal favorite event, and I hope to see you there! Keep an eye out for emails and on our website for other events throughout the year as well.

I wish you all a successful busy season and look forward to seeing many of you soon!

WTG Terrazzo & Tile, Inc.

Terra Construction -
Reception Signage Wall -
Rogers, MN

Terra Construction was looking for something that created a ledgestone (natural stone) look, WTG was able to find a cost effective and great looking tile product that produced the look that Terra Construction desired. We're very proud that a great client trusted us with their work at their facility, and we're proud of the look of the finished product! ■

Completion Date: March 2023

Client / Architect(s) / Partner(s): Terra Construction

Kraus-Anderson

Rock Ridge Career Academy
High School - Virginia, MN

Kraus-Anderson Construction Company's Duluth office has completed construction on Rock Ridge Career Academy High School, which utilizes a new model of education career pathways and opportunities for students to explore different occupations and identify potential careers. The 280,000-square-foot school is part of Rock Ridge Public School's extensive set of more than \$190 million construction and demolition building projects. The high school is the only wall-to-wall career academy school north of the Twin Cities. ■

Completion Date: February 2023

— MCA IN THE COMMUNITY —

KOMA Volunteers at Feed My Starving Children

The **KOMA** crew recently volunteered at the Feed My Starving Children - Eagan facility, packing a combined 136 boxes, containing 29,376 meals. Our team of volunteers hand-packed nutritious MannaPack® meals specifically designed to assist in reversing and preventing undernutrition. The amount that we packaged that day will feed 80 kids for a year. These meals were then distributed in schools, orphanages, clinics and feeding programs around the world to deliver hope and break the cycle of poverty. ■

Governor's Safety Award of Honor

Environmental Plant Services was recognized for excelling in the workplace safety program and health during the Minnesota Safety and Health Conference. Keeping people safe and achieving award-winning performance is no accident. It takes everyone from the front line to executive leadership to help people work safely, drive safely and live safely. Since 1934 the annual Governor's Safety Award Program has honored MN employers with exceptional safety performance. EPS was judged on several years of injury data as it compares with their industry's national statistics and on their progress in implementing a safety program. ■

— MCA IN THE COMMUNITY —

Veit Celebrates 95 Years of Extraordinary Service

Celebrating 95 years in business, **Veit** is proud of the legacy they are building - to Never Settle and Dig Deeper. What began as a modest company with a single truck in the 1920s has grown into an enterprise of four companies with over 800+ employees. Now in their third generation as a family-owned business, Veit is among the most respected specialty contracting and waste management companies in the nation, taking pride in their relentless pursuit to push the construction industry forward and deliver exceptional service to their customers. As Veit celebrates its 95th anniversary in 2023, they are also celebrating the opening of two new campuses to support growing operations. The Duluth, Minnesota campus sits on 12,800 square feet of land and will be a central multi-functional campus for Veit to support field operations in northern Minnesota and a home for their waste management operations with Veit Disposal and Vonco V. ■

DinoMights Learn 2 Skate!

RJM kicked off National Volunteer Week a little early at DinoMights' Annual Learn 2 Skate Event! RJM has been involved with DinoMights for several years to engage urban youth through the power of community and provide them with the opportunities they need to become self-assured adults. RJM is proud to support DinoMights and is dedicated to helping make a holistic impact on the lives of Minneapolis inner-city youth. ■

— MCA IN THE COMMUNITY —

Commercial Drywall Inc. is SBA's Minnesota Family-Owned Small Business of the Year

The U.S. Small Business Administration has named **Commercial Drywall, Inc.** the 2023 SBA Minnesota Family-Owned Small Business of the Year. In recognition of National Small Business Week, SBA's Minnesota District will recognize its 2023 state winners at local events in the weeks ahead. Commercial Drywall is a Union Specialty Subcontractor operating in the Twin Cities and Greater Metro Area that specializes in heavy gauge metal framing, insulation, plaster, fireproofing, and drywall services. Their work is in the commercial, retail, industrial, education and medical sectors with 95% of the work self-performed by the union crafts people they employ. ■
