CONSTRUCTION
ASSOCIATION

A long-exposure photograph of a city skyline at night. The buildings are illuminated with various lights, and the sky is a deep blue. In the foreground, there are construction cranes and a highway with light trails from cars. A large orange banner is overlaid on the bottom half of the image, containing the text 'Join MCA'.

EDUCATION, RECOGNITION & NETWORKING FOR CONSTRUCTION PROS

About

The Minnesota Construction Association (MCA) brings together professionals across all facets of the building industry who use a wide range of project delivery systems to plan, design, and construct projects throughout the Midwest.

With more than 150 member companies made up of over 700 construction professionals—including construction managers, project managers, general contractors, subcontractors, owners, engineers, architects, attorneys, suppliers, and developers—MCA represents a dynamic community dedicated to advancing construction in Minnesota.

MCA promotes collaboration and connections among members while advocating for the growth and success of Minnesota's construction industry.

Mission

The Minnesota Construction Association fosters education, recognition and networking for all industry professionals who collaborate to plan, create and sustain best construction practices.
